July 25, 2011

Meadowbrook Homeowners Association  
c/o Mr. Frank May, President  
Birmingham, Alabama 35242

Dear Meadowbrook Residents,

It is hard to believe that summer will soon be drawing to a close and that school will begin in just a few short weeks. In preparation for the beginning of the school year and the associated school traffic, beginning on August 1<sup>st</sup>, the Shelby County Sheriff's Office will be conducting traffic enforcement operations in neighborhoods throughout Shelby County. Deputies will be instructed to focus primarily on speeding and stop sign violations occurring during peak traffic times in the mornings and afternoons, and will be guided by a "zero tolerance" policy.

The goal of these traffic enforcement details is threefold. First, we want to educate drivers and remind them of the greater risk for tragedy associated with school bus stops and children in close proximity to the roadways. Second, by aggressively enforcing the traffic laws, we will draw attention to unsafe driving practices and promote future safe driving habits. And third, we hope to reduce the incidences of traffic violations and crashes, thereby improving the safety and quality of life in your neighborhood.

I would ask that you please provide the information in this letter to all of the residents in your neighborhood via your established means of communication. We do not want to catch anyone off-guard, and through this program, we hope that all motorists will be more attentive to their safe driving practices. Our goal at the Shelby County Sheriff's Office is to provide the safest possible environment for our residents to live and work in. Thank you for partnering with us to promote safe driving habits, and thus safer streets and safer neighborhoods.

Regards,

Chris Curry, Sheriff  
Shelby County, Alabama
